OCTOBER 30 - NOVEMBER 18, 2011

Email us at edventures1@yahoo.com or call us at (631) 335-9308 to reserve 1 of 40 slots available for Live one to one sessions with your school or classroom. Book by October 15 to allow us to set up a test session with your class.

During the SKYPE session US and Malagasy students will have the opportunity to learn about:

- * Identifying species of Malagasy Reptiles and Amphibians and how to differentiate between them.
- * Animal adaptations.
- * Rainforest ecology.
- * Malagasy culture.
- * Creating and utilizing dichotomous keys to identify animal species.
- * Developing communication and writing skills. (Pre & Post activities).
- * Building Vocabulary.
- * Excelling in life science and related subjects.
- * And Much Much More!!

MENTION THIS ADD AND RECEIVE A 10 % DISCOUNT ON YOUR PROGRAM.

The journey will take place from October 30th until November 18th. During this time Erik's Reptile Edventures will be offering live SKYPE sessions for a fee of 200.00 per session of which 50 % of the fee will be donated to the education center at Centre Val Bio Madagascar which works with 50 villages to send students to school in Madagascar. This will benefit thousands of Malagasy students and allow them the opportunity to go to school, and will help pay for a teacher to teach for an entire year!

Presented in partnership with The Institute for the Conservation of Tropical Environments at Stony Brook University.

This Program meets NYS and National Standards for Science.

We are a Department of Education NYS Vendor and registered with Suffolk and Nassau BOCES.
